Roasted Garlic Chicken

This delicious chicken dish uses our That's Amore Pasta Blend, and proves that this seasoning is as versatile as it is delicious!

Note: we belong to a population that believes that if a recipe calls for 2 garlic cloves, we are automatically going to double it...maybe even triple it!

And roasting garlic? It's like savory candy!

You will need:

- 4 Bone-in Chicken Breast Halves
- 1 bulb of garlic
- 2 Tablespoons [That's Amore Pasta Blend](#) (more to taste)
- 1 Lemon, cut into 4 wedges
- Fresh Ground [Black Pepper](#)
- 3 Tablespoons +/- Olive Oil

Preheat oven to 375F.

Cut the top of 1 bulb of garlic. Place garlic cut side up, in baking dish.

Sprinkle a generous amount of That's Amore Blend on the back, top and under the skin of the chicken. Grind some fresh pepper all over the chicken, then drizzle about 3 Tablespoons Olive Oil over the top of both the chicken and garlic.

Place baking dish in the oven and roast for 40 minutes, or internal temperature reaches 165F.

To serve: Scoop out some of the creamy roasted garlic and smear over chicken, drizzle with pan juices and a squeeze of lemon.
